

Peck & Hale, L.L.C.
GENERAL TERMS AND CONDITIONS OF PURCHASE

- 1. Acceptance of Contract** – This Purchase Order (herein referred to as PO) expressly limits acceptance by the Supplier to the terms as stated on the PO. Any variant of the terms proposed by the Supplier are rejected unless expressly assented to in writing by Peck & Hale, L.L.C., herein referred to as Peck & Hale.
- 2. Payment** – Payment is contingent upon receipt and acceptance of product at destination unless prior arrangements have been approved by Peck & Hale. Discount periods shall be calculated either from the date of receipt of acceptable invoices, or from the date of receipt and acceptance of product, whichever is later. Errors, omissions or delays in receiving invoices shall be considered just cause for withholding payment without loss of cash discount privilege.
- 3. Delivery** – Unless specified to the contrary, all deliveries are FOB destination and title to items ordered does not pass until delivery is made to Peck & Hale. All shipments are to be made via motor freight, sea freight, common carrier, UPS or most economic mode of transportation to the point of destination unless otherwise specified by Peck & Hale. All transportation and affiliated charges shall be prepaid by the supplier and appear as a separate item on the invoice, less Federal transportation taxes and shall contain the original or a copy of the invoice indicating that the payment for shipment has been made. All special shipping or handling charges must be approved in writing by Peck & Hale prior to shipment. Peck & Hale reserves the right to refuse any unauthorized COD shipment for product or transportation charges.

Peck & Hale production schedules are based upon the agreement that goods or services will be delivered by the date specified on the PO. Time is therefore of the essence in meeting the delivery schedule(s). If Supplier shall fail to make delivery or to render timely performance, Peck & Hale has the right to cancel, purchase elsewhere, or hold supplier accountable for any additional costs, charges, fees or damages incurred by Peck & Hale including, but not limited to, special transportation required to meet delivery schedule(s) as stated in the PO in addition to any and all other remedies available under law. Material shipped in excess of quantity ordered and/or in advance of Peck & Hale's delivery schedule may be rejected by Peck & Hale and returned at supplier's expense. On premature shipments, payment may be withheld, and discount period will begin to run from the required date specified. If delivery is not made as scheduled, Peck & Hale may cancel without liability and accept completed items, paying therefore the contract price minus the cost of completing the order elsewhere over the original cost of this order. Delivery of product shall not be deemed to be complete until received and accepted by Peck & Hale or designated recipient. Purchaser's count will be accepted as final and conclusive on all shipments.

- 4. Packing and Shipping** – All items shall be suitably prepared, marked and packed for shipment in a manner that will prevent damage in transit. Product received damaged or lost in transit due to improper packaging by the supplier shall be replaced by the supplier at their expense in a timely manner. Supplier shall also be responsible for all transportation and affiliated charges for replacement of damaged or lost product due to improper packaging. Peck & Hale is not liable for extra charges for packing, cartage, or anything else unless stated on the PO.

PO number, part number(s), all special instructions as required by the PO MUST appear on all Supplier's packing lists, bills of lading, invoices and other necessary shipping documents. Each

individual package, carton, crate and all exterior packaging must reference Peck & Hale's PO number, part number(s), quantity per package, carton, crate or container and number of packages, cartons, crates or containers per shipment. The supplier's packing slip(s) must be affixed to one package, carton, crate or container, be easily accessible and adequately identified as containing that shipment's packing slip. Supplier shall provide Peck & Hale with copies of required certifications as noted on the PO, as well as packing slips, all bills of lading, including ocean or airfreight waybills and related documents relative to the shipment within 48 hours of shipment. All necessary original documents, including, but not limited to, Commercial Invoices, Packing Slips and all documentation required for Customs clearance in the country of delivery must be sent by the Supplier directly to our designated freight forwarder, (To be supplied). Failure to provide original documents to our designated Freight Forwarder will extend payment terms. Incorrect or missing Certifications as required and stated on the PO will also extend payment terms. All invoices are to be labeled "Vendor Name, POxxxxx, Invyyyyy, MM/DD/Year" and sent to Finance@peckhale.com and must include all shipping documents and copy of packing slip(s). This information must be sent to Peck & Hale within 48 hours of shipment being made.

5. **Delays** – Without relieving supplier of its obligation and/or liabilities hereunder, supplier shall immediately report in writing to Peck & Hale any projected or actual delay whatsoever in deliveries and/or completion as defined in the subject PO and its cause and proposed remedy. Supplier shall continue to keep Peck & Hale informed, and shall take all reasonable actions to remedy, mitigate, and/or eliminate the cause of delay. Failure to inform Peck & Hale of any such delays shall constitute default by the Supplier.
6. **Taxes** – The purchase price to Peck & Hale shall include all Federal, State and local taxes, unless otherwise stated.
7. **Patents** – The supplier agrees to defend, protect, and save harmless Peck & Hale. against all suits at law or inequity and from all damages, claims, and demands for actual or alleged infringement of any United States or foreign patent and to defend any suits or action which may be brought against Peck & Hale for any alleged infringement because of the manufacture of any such material for Peck & Hale.

Any unpatented knowledge or information concerning seller processes, present or contemplated products or their uses which seller may disclose to employees of Peck & Hale in connection with the ordering, acquisition and use by Peck & Hale of the goods or services covered by this order shall, unless specifically agreed in writing, be deemed to have been disclosed as a part of the consideration for this order and seller agrees

The aforesaid warranties shall be construed as conditions as well as warranties and are in addition to any other expressed or implied warranties of Seller. PECK & HALE'S APPROVAL OF SELLER'S PROTOTYPE SAMPLES SHALL NOT BE CONSTRUED AS A WAIVER BY PECK & HALE OF ANY REQUIREMENT OF THE DRAWINGS, SPECIFICATIONS AND/OR OTHER DESCRIPTIONS APPLICABLE HERETO OR ANY EXPRESSED OR IMPLIED WARRANTY OF THE SELLER UNLESS SPECIFICALLY SO WAIVED BY PECK & HALE IN WRITING. SELLER AGREES THAT ALL WARRANTIES SHALL SURVIVE ACCEPTANCE OF THE GOODS.

Peck & Hale, without waiving any other legal rights, reserves the right to cancel without charge or to postpone deliveries of any of the articles covered by this order which are not shipped in time reasonable to meet the required date, provided, however, that in the event the seller suffers delay in performance due to causes beyond its control, such as Act of God, war, act of Government, priorities or allocations, fire, flood, strike, sabotage or delay in transportation, the required date shall be extended a period of time equal to the period of such delay if the seller gives Peck & Hale notice in writing of the cause of the delay within a reasonable time after the beginning thereof.

Physical receipt of delivery or prior payment is not final inspection and acceptance. Notification of rejection shall be within 30 days of receipt of material. Returns of defective items or rejects will be at suppliers' risk and expense and shall be done within 180 days after rejection. Inspection, failure to inspect, acceptance or payment will not affect any warranty herein. Peck & Hale's count of items is conclusive.
